NATUCLEAN 144

Natuclean 144 is a heavy duty, multi-purpose, natural solvent based industrial cleaner - degreaser designed to remove greases, oils, fats, inks, lubricants, asphalts, and other films from a wide variety of hard surfaces and fabrics. It utilizes a natural citrus derived solvent along with a unique combination of biodegradable surfactants and detergent ingredients to give heavy duty cleaning and degreasing performance without the use of harsh alkalis, environmentally unsafe solvents, or other hazardous or toxic materials. It is water soluble, environmentally safe, and biodegradable and has a pleasant citrus odor.

- * **Natural Solvent Base Cleaner - Degreaser**
- * **Heavy Duty Industrial Formulation**
- * **Minimizes Hazards to Operators & Environment**
- * **Biodegradable Formulation**
- * **Economical Multi-Purpose Concentrate**
- * **Pleasant Citrus Odor**
- * **Does Not Contain Petroleum, Chlorinated, or Glycol Ether Solvents**

Environmental and operational safety is one of its primary assets, as it does not contain petroleum, chlorinated, or glycol ether type solvents or any harsh alkalis. All detergent, solvent, and surfactant systems are biodegradable. The natural solvent used is even listed by the FDA as a GRAS (generally recognized as safe) material. It is safe on all metal and most plastic surfaces but should be tested before applying to plastic and painted surfaces.
