Premium High Performance Grease CS 852

Interlube's CS 852 is a premium high performance lubricating grease which has exceptional corrosion resistance and mechanical stability, very high load carrying capacity, excellent water resistance and water washout performance, along with a wide operating temperature range. It has exceptional EP performance as evidenced by its Four Ball EP-Weld Point of 500 Kg and 65 lb Timken OK rating. Its water washout rating of < 3% makes it one of the most water resistant products available. Not only is it very water resistant, but its unique formulation gives it outstanding rust and corrosion resistance, even in the presence of high water and salt spray environments. It is truly a multi-purpose grease capable of handling high loads and giving long term protection under even the most hostile & corrosive moisture conditions.

This formulation is very environmentally friendly as it contains no heavy metals or other environmentally undesirable materials such as compounds containing – antimony, barium, lead, chlorine, phenols, phosphorous. It is designed for all-purpose use in Industrial, Paper Making, Construction, Farming, Mining, Marine, Transportation, and Automotive applications. It is used in bearings, bushings, slides, pivots, tracks, etc. It is recommended wherever high lubricity, EP properties, mechanical stability, rust and corrosion protection, water washout protection, and good oxidation stability are required.

<u>Industrial</u>	Machine Tools, Manufacturing, Conveyors, Packaging, Electric Motors, Paper Making Equipment, High Temp., Fork Lifts, Water Pumps
<u>Construction</u>	Cranes, Dozers, Shovels, Graders, Loaders, Asphalt Spreaders,
<u>Farming</u>	Tractors, Combines, Loaders, Accessories, Pumps, Machine Shops, Wagons
<u>Mining</u>	Mining Equipment, Pumps, Cranes, Shovels, Pulleys
<u>Marine</u>	Pumps, Cable Lubricant, Winches, Bearings, Salt Water Corrosion Protection
<u>Transportation</u>	Bearing Grease, Fifth Wheel Grease, King Pins
<u>Automotive</u>	Chassis, Wheel Bearings
